Gagini Social Restaurant on Pantelleria Island

di: Redazione

8 june 2017

I receive the notice – an electrifying one – from **Bocum Winebar & Mixology** (Palermo) and arrives as a true bolt from the blue between delicious tapas, fabulous cocktails from **Gianluca Di Giorgio**, and an extraordinary spaghetti with sea urchins from **Diego Battaglia**.

Franco Virga and **Stefania Milano**, full of positive force, well satisfied by the (notably) successful performance of their Palermo spots, have thought up a seaside outlet for their energies, a seasonal residence for their **Gagini Social Restaurant** during the dog days of summer. And what better spot than a wild island lost in the middle of the sea.

From April 14th on, the Island of **Pantelleria** will have its *Gagini Social Resort*. The new headquarters of the restaurant will feature in the kitchen chef **Diego Battaglia**. But his work will not limit itself solely to dinner: service will begin early in the day with the breakfast, will continue with a poolside light lunch, and then cocktail bar and aperitif on the roof until late in the night. Bartenders from all over Europe will alternate – **Di Giorgio** of **Bocum** himself will participate in special evenings. The notice of notice concerns the spot: the **Wine Resort Sikelia** of **Giulia Gelmetti Paziienza**, one of Sicily's and the Mediterranean's most exclusive residences, and also one with one of the most important cellars on the island. The "Zibibbo" Muscats of **Coste Ghirlanda** are, in fact, among the finest expression of Pantelleria as a territory.

The next season on Pantelleria announces itself, in advance, a memorable one.
