Twitter Party with Leslie Sbrocco. Novembre, 3-4

di: Redazione

3 november 2016

Ciao!

Ciao,

After a recent trip to Sicily, I fell in love with the place. The local cuisine (caponata and cannoli are THAT good), the rich cultural history, and the wines impressed me so much I partnered with the Wines of Sicily on an upcoming Twitter Tasting. Actually, we prefer to call it a Twitter Party because that's the essence of Sicily – capturing the fun of life.

Enclosed is a three-pack of wines including Grillo, Frappato, and Nero d'Avola. Each of these grape varieties is unique to Sicily. During the tasting we'll discover what makes Sicilia DOC wines so special.

I look forward to virtually sharing a glass – or three – on **Thursday, November 3 from 4-5pm PST/7-8pm EST**. Please pass along the #WinesOfSicily hashtag with your audience and encourage them to grab a bottle and join us.

A salut!

Leslie
